

Credit Repair

Our credit repair service offers your customers a quick and easy route to getting safely back on the road. The service is available for all claims that have been established as non fault, under both fully comprehensive and third party, fire and theft policies.

All our credit repair claims are handled in-house and vehicles assessed by our own qualified engineers. Your customers will also have access to our approved network of over 400 repairers, facilitating all types of vehicles from HGVs to private cars and motorcycles.

All repairs are closely monitored by our downtime management team, keeping your customer updated throughout the progress of the repair.

What our credit repair service means for your customers:

- All repair work is carried out by skilled professionals and fully guaranteed for five years;
- No insurance excess to pay;
- Their 'no claims' discount will not be affected.
